## Stonington High Wins Championship

Captures Deciding Game in Interscholastic League From Bartlett High-Score 8 to 7-Mawson Fanned 15 Batters-Interscolastic League Holds Meeting.

With the ringing of the bell on the Stonington High school building the students proleaimed another victory over Bartlett High school of Webster, Mass., and also the championship of the Interscholastic league Saturday afternoon in a game played at Stanton's field Stonington.

With the winning of this contest by the clase score of 8 to 7. Stonington High ends its baseball season in a blaze of glory, and with four trophies to the good. Two of the trophies have been won from Westerly, one the three year cup and the other the silver single same trophy the latter being won.

Ball was hit to centerfield with men on bases, which ordinarily would have been a hit, but Vincent did not even see the sphere until it had almost reached the middle garden, and as a consequence two runs came in.

Bartholomei pitched a good game for the visitors. The score:

You will be surprised at the small amount required to give you adequate protection. It is the best investment in the world for a small amount of money. See to it at once.
